**STIPULATION AND ORDER TO EXTEND TIME FOR RESPONSE TO OBJECTIONS
TO MAGISTRATE JUDGE’S CLAIM CONSTRUCTION RULING**

On June 5, 2007, the Magistrate Judge in the Eastern District of Texas entered a Memorandum Opinion and Order on claim construction (“Claim Construction Order”) in Civil Action No. 05-443 styled *Rembrandt Technologies, Inc. v. Comcast Corp. et al.* (the “Comcast 1 Action”). On June 19, 2007, the Comcast Defendants in the Comcast 1 Action filed their objections to the Claim Construction Order. On June 20, 2007, the Judicial Panel on Multidistrict Litigation (“JPML”) issued a Transfer Order consolidating numerous civil actions instituted by Rembrandt Technologies, L.P. (“Rembrandt”) before the Honorable Gregory M. Sleet in the United States District Court of Delaware, including the Comcast 1 Action (D.I. 1-3, 5).

Rembrandt’s response to the Comcast Defendants’ Objections is due on July 2, 2007. Given the consolidation of this case by the JPML and its transfer to this Court, Plaintiff

Rembrandt seeks to extend the date for filing its response to the objections of the Comcast Defendants to the Claim Construction Order for two weeks to July 16, 2007. Counsel for the Comcast Defendants have agreed to this extension. The Comcast Defendants, by agreeing to this extension, do not agree that the Magistrate Judge's findings have any effect or that any further claim construction briefing or other activities should continue outside of whatever global, coordinated procedure the Court may establish for the multidistrict litigation proceeding. Rembrandt does not seek this extension to delay the case nor will this extension impact the trial date for this case.

STIPULATED AND AGREED:
